Subject	End of Life/End of Service Announcement
Sales End	Immediately
Support Ends	October 31, 2006
Product Area	PKZIP, SecureZIP
Activities Affected	Product Manufacturing, Sales, Support and Maintenance
Products Affected	Lotus Notes Email integration with PKWARE Products

End of Life Procedure

Purpose of Document: The purpose of this document is to advise PKWARE, Inc. customers of the End of Life and End of Service for certain versions, releases, modifications or features of PKWARE products. It is important to note the distinction between *End of Life* and *End of Service*.

End of Life: The product or feature is no longer manufactured or sold. This is Phase I of product sun-setting.

End of Service: End of Service occurs after, or in conjunction with, the End of Life. End of Service means that support and maintenance are no longer provided for the identified product(s) or feature(s). This is Phase II of product sun-setting.

Detailed Description: PKWARE, Inc. has ended all manufacturing, sales, support and maintenance for the Lotus Notes Email integration feature on all of the products. PKWARE Product Management is providing customers with a **six (6) month notice before ending customer support and maintenance for the Lotus Notes Email integration feature on PKWARE products**. At the end of this six month period, PKWARE, Inc. will have no further obligation to respond to customer inquiries about products or features reaching End of Service status. Any previously published support information regarding the EOL/EOS product or feature will continue to be available through various automated support services, including the World Wide Web at http://www.pkware.com/business_and_developers/support/
