End of Life Procedure

Purpose of Document: The purpose of this document is to advise PKWARE, Inc. customers of the End of Life and End of Service for certain versions, releases, or modifications of the *PKZIP for IBM i/Series and SecureZIP for IBM i/Series* products. It is important to note the distinction between *End of Life* and *End of Service*.

End of Life: The product(s) is no longer manufactured or sold. This is Phase I of product sun-setting.

End of Service: End of Service occurs after, or in conjunction with, the End of Life. End of Service means that support and maintenance are no longer provided for the identified product(s). This is Phase II of product sun-setting.

Detailed Description: PKWARE, Inc. has ended all manufacturing, sales, support and maintenance for versions 8.x of PKZIP for IBM i/Series and SecureZIP for IBM i/Series. PKWARE Product Management is providing customers with a **twelve (12) month notice before ending customer support and maintenance for PKZIP and SecureZIP products**. At the end of this time period, PKWARE, Inc. will have no further obligation to respond to customer inquiries on products reaching End of Service status. Any previously published support information regarding the EOL/EOS product will continue to be available through various automated support services, including the World Wide Web at <http://www.pkzip.com/support>.
