

Technical Note – PKWARE Service Support Scheduled for IBM® z/OS® Products

This notice provides PKWARE customers the latest Service Support Schedule for PKWARE products on IBM z/OS operating system versions and System z mainframe models. This schedule aligns PKWARE product support for z/OS with the published IBM operating system and hardware service schedule. Benefits this schedule provides to our customers include:

- **Defined dates for end-of-support** – PKWARE products are supported on the environments on which they were designed and tested.
- **Opportunity for advanced planning** – Coordinate product updates with new z/OS release and hardware deployments.
- **Better value for your maintenance dollars** – Take advantage of new releases with the latest product improvements matched to the latest IBM features.
- **Online end-of-service info** – current end-of-service information is available online at www.pkware.com/PKWARE_zOS_Products.txt.
