

Getting Started

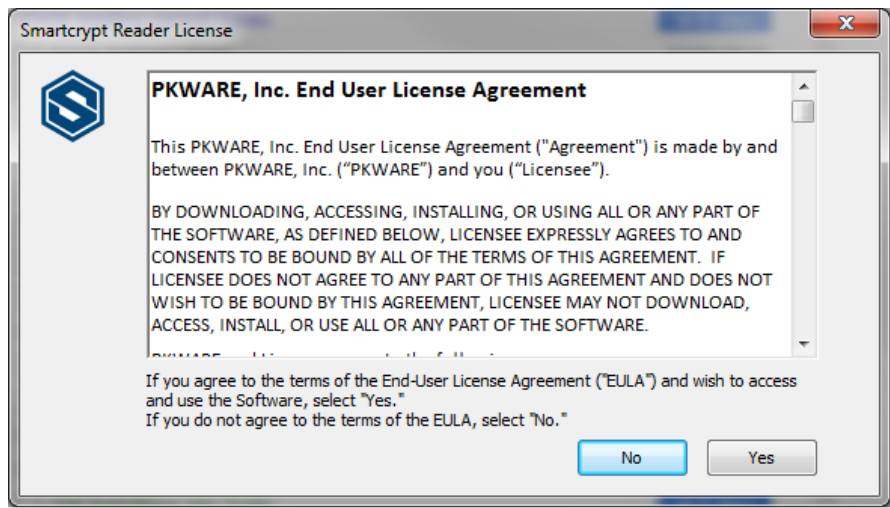

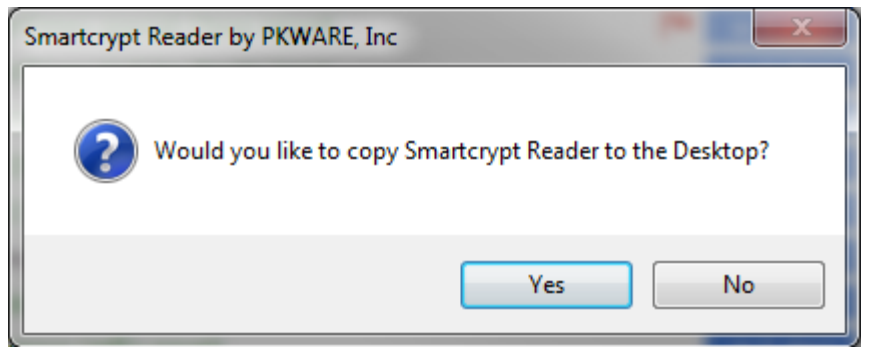

Download this file:

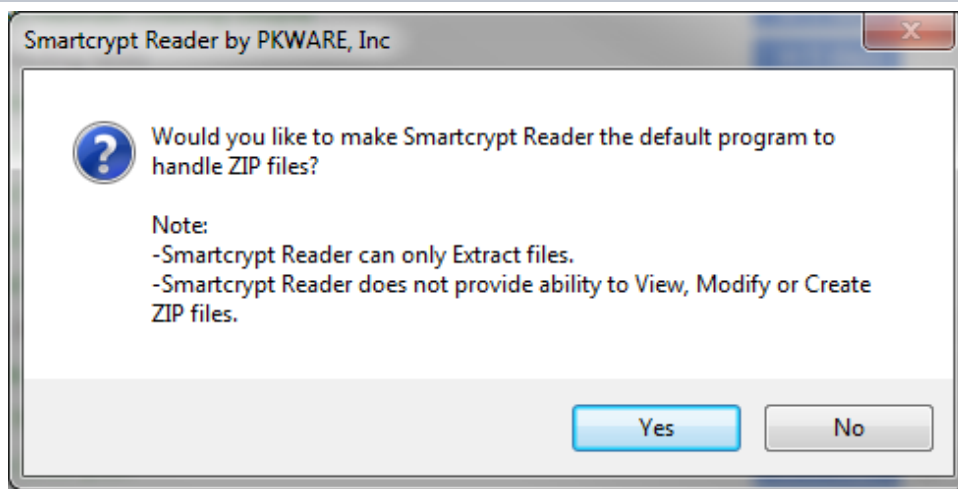

Product	Type	Size	OS
Smartcrypt Reader Download	EXE 32-bit	6.7MB	Windows only

Minimum Requirements

- Windows Desktop running Windows 7 or higher
- 256 MB RAM

Quick Start

	<p>The first time you use Smartcrypt Reader, you will see the software license agreement. Click Yes to accept the terms of this agreement.</p>
	<p>Anyone can download and save the Smartcrypt Reader program file directly onto their desktop and immediately begin to use the application. Click Yes to do this.</p>

If you would like to use Smartcrypt Reader on a frequent basis, you may want to make Reader your default application for opening ZIP files. To do this, click **Yes** to this question.

To open a ZIP file, drop it onto the Smartcrypt Reader icon on your desktop. You can also select a file to open by choosing **Select archives to extract** and browsing to the ZIP archive you want to open.

For more details on opening an archive, go to [How to Decrypt a File](#)
